Evaluation of [REDACTED] 25X1A9a	25X1X7	
[REDACTED] stressed that more [REDACTED] Reports will have to be evaluated as a result of DD/I interest. No final agreement on numbers or procedures has yet been reached. Last year the Economic Research Area evaluated 39 reports and this year it will be in- creased to at least 600. A brief evaluation is all that is required.		Information

St/I will probably establish a twenty-four hour deadline on most of these reports. The total time for each report should be from three to four weeks from the time it leaves the field until the time it is returned to the field.

This is to alert the analysts concerned. Action will not take place until procedures have been developed.
